ABANDONED

Hers was a life so shocking, so unbelievable, it was turned into a movie. Christine O'Neill was subject to unspeakable violence, sexual abuse and sadistic treatment for years after marrying a man who became a monster. But Christine's incredible story of survival came to a tragic end this year, the 64-year-old dying in a Warrawong housing commission flat - not through violence but neglect, and now her family wants answers. **BEN LANGFORD reports, Pages 6-7**
