

1 Navigate to <https://business.facebook.com/latest/settings/>

2 Click here on Ad Accounts.

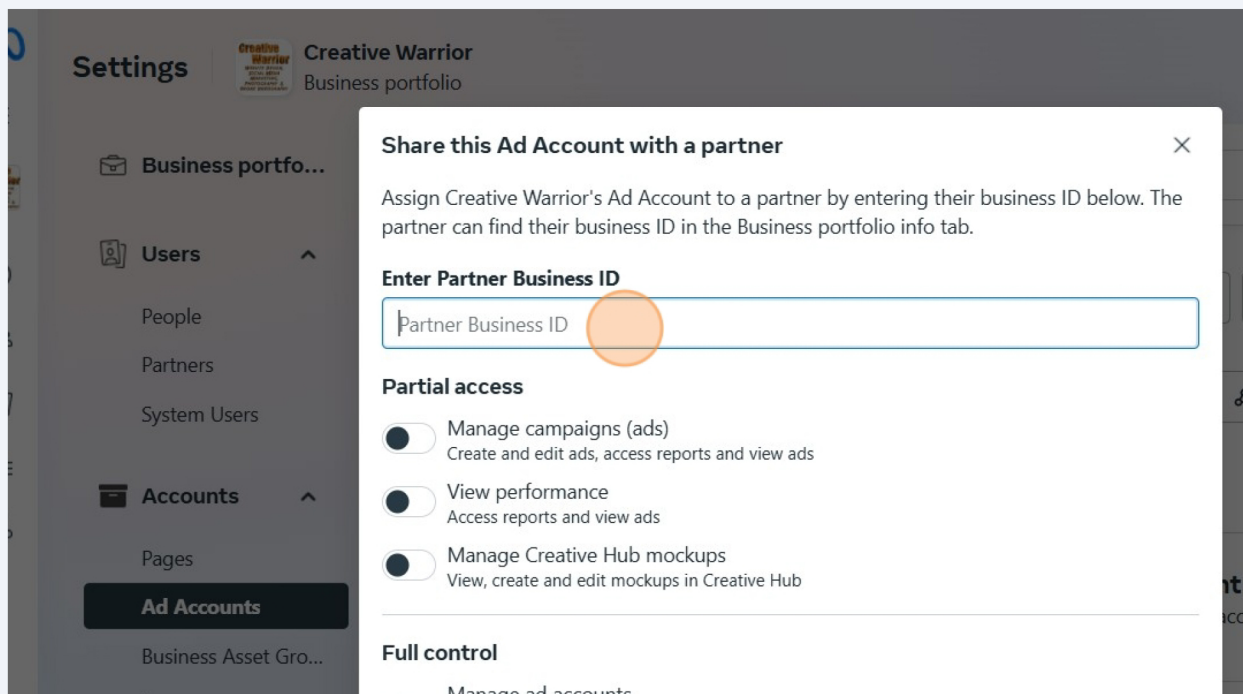

3 Click on your business name.

The screenshot shows the Facebook Business Settings interface. On the left, the 'Settings' menu is visible with 'Ad Accounts' highlighted. The main area is titled 'Ad accounts' and features a search bar 'Search by name or ID'. Below the search bar, there is a table with columns: 'Name', 'Full control', 'Partial ac...', and 'Pa'. The first row in the table is for 'Creative Warrior', which is highlighted with an orange circle. The table also shows '1 person' under 'Full control', '0 people' under 'Partial ac...', and '0 p' under 'Pa'.

4 Click "Assign partner"

The screenshot shows the Facebook Business Settings interface with the 'Ad accounts' section open. The 'Creative Warrior' ad account is selected, and a modal window is displayed. In the modal, the 'Assign partner' button is highlighted with an orange circle. The modal also shows '1 person is assigned to this ad account' and a list of 'People with full control' including 'Amanda Maresch (You)'. The modal has tabs for 'People', 'Partners', and 'Connected assets'.

- 5 Enter the Creative Warrior Partner Business ID of "116757532367741" into the field "Partner Business ID".

- 6 Click the "Manage ad accounts" field under the section "Full control".
